PRODUCT LEAFLET

PlatformStand max. 50 inch

062.0520 PlatformStand for flat screens up to 50 inch (max. 65 kg)

SmartMetals launches this Platform Stand in two versions: for displays up to 50 inch (max. 65 kg) and a version up to 65 inch (max. 85 kg). They are made for displays which would be used in a tilted position. These stands allow a centre screen height of 1050 mm and include an angular adjustment between 35° and 55°. A customer chooses the stand based upon their screens? inch size, after which he or she selects a screen mount (either VESA or universal). With the stand come several accessories among which a laptop platform, padlock and a media housings.
